

Elton John - Talking Old Soldiers

Tom: Eb
 why hello
 say can i buy you another glass of beer
 well thanks alot, thats kind of you
 its nice to know you care
 these days theres so much going on
 no one seems to want to know
 I may be just an old soldier to some
 but i know how it feels to grow old
 yeah thats right
 you can see me here most every night
 youll always see me staring at the wall and the lights
 funny i remeber though its years ago id say
 id stand at the bar with my friends whove passed away
 and drink three times the beer that i can drink today
 yes i know how it feels to grow old

i know what theyre saying son
 there goes old mad joe again
 well i maybe mad at that ive seen enough
 to make a man go out his brain
 well do they know what its like to have a grave yard as a friend
 cause thats where they are boy all of them
 dont seem likely that ill get friends like that again
 well its time ive moved off
 but its been great just listening to you
 and i might even see you the next time im passing through
 youre right threse so much going on
 no one seems to want to know
 so keep well, keep well old friend
 and have another drink on me
 just ignore all the others
 youve got your memories
 youve got your memories
