

Elton John - The Way You Look Tonight

Tom: Gb

There was a time I was everything and nothing all in one.

When you found me I was feeling like a cloud across the sun.

I need to tell you, how you light up every second of the day.

And in the moonlight you just shine like a beacon on the bay.

And I can't explain, but its something about the way you look tonight.

It takes my breath away, it's the feeling I get about you deep inside.

And I can't describe, but its something about the way you look tonight.

It takes my breath away, the way you look tonight.

With your smile, you pull the deepest secrets from my heart.

In all honesty, I'm speechless and I don't know where to start.

And I can't explain, but its something about the way you look tonight.

Oh it takes my breath away, it's the feeling I get about you deep inside.

And I can't describe, but its something about the way you look tonight.

It takes my breath away, the way you look tonight.

It takes my breath away, the way you look tonight.
