

Elton John - Tinderbox

Tom: A
Intro: E Dbm Abm
E Dbm Abm

E Abm
Nostradamus said I predict
That the world will end at half past six
A G E
What he didn't say was exactly when
C D E
Was he listening to the radio?
C D E
Was he listening to the government?

E Abm
Well he got us spooked anyway
Dbm Dbm
We'd been running hot up until today
A G E
But a wind of change blew across our sales
C D E
We were coasting on a winning streak
C D E
We were kings until the power failed

D Gbm
We've been living in a tinder box
Bm Bm
And two sparks can set the whole thing off
G D
Rubbing up together around the clock
F C
Lately we've been getting more roll than rock
Eb Bb C D
You and me together in a tin der box
Bm Bm
And two sparks can set the whole thing off
G D
Rubbing up together around the clock

F C
Lately we've been getting more roll than rock
Eb Bb C D
You and me together in a tin der box

E Abm
Godzilla came in disguise
Dbm Dbm
Tore the building down right before our eyes
A G E
Kept the needle out of the red balloon
C D E
Was he worried we might go too far
C D E
Maybe wind up rhyming moon and June

E Abm
The sun descends down in Mexico
Dbm Dbm
While a fancy car back on Savile Row
A G E
Shows the price of fame leads to overkill
C D E
Things are gonna have to change
C D E
Some holes along the road get filled

(chorus)

Gbm Ab
Pressure's gonna cook us if we don't unlock it
Db D
Guns going off if we don't uncock it
Gbm Ab
We've gotta climb out of the other one's pocket
Dbm Dbm A
Or we're gonna burn, out on this beautiful rocket

(chorus)
