Elton John - Tinderbox

Tom: A Intro: E Dbm Abm E Dbm Abm Abm predict Nostradamus said I Dbm Dbm That the world will end at half past six G What he didn't say was exactly when С D E Was he listening to the ra dio? C D F Was he listening to the government? Е Abm Well he got us spooked anyway Dbm Dbm We'd been running hot up until today
A G E But a wind of change blew across our sales D С E We were coasting on a winning streak С D E We were kings until the power failed D Gbm We've been living in a tinder box Bm Bm And two sparks can set the whole thing off G D Rubbing up together around the clock Lately we've been getting more roll than rock Bb C D Eb You and me together in a tin der box Bm Bm And two sparks can set the whole thing off D Rubbing up together around the clock

Lately we've been getting more roll than rock Eb Bb C D You and me together in a tin der box Abm Godzilla came in disguise Dbm Dbm Tore the building down right before our eyes G Kept the needle out of the red balloon D С F Was he worried we might go too far С D F Maybe wind up rhyming moon and June E Abm The sun descends down in Mexico Dbm Dbm While a fancy car back on Savile Row G Α Shows the price of fame leads to overkill D F Things are gonna have to change D Some holes along the road get filled (chorus) Gbm Ab Pressure's gonna cook us if we don't unlock it Db Db Guns going off if we don't uncock it Gbm We've gotta climb out of the other one's pocket Dbm Dbm Or we're gonna burn, out on this beautiful rocket

Acordes

(chorus)
