

Elton John - Wake Up Wendy

Tom: **A**

Intro: **E A D / A E**

E

Got this bug-eyed girl
Cold hand on my knee
Frozen teeth chitter, chatter

She's dressed up like a cemetary **A**
D A E
Like a cemetary

E

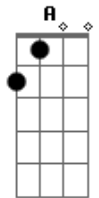

Snowbound all winter
Blue lips on my cheek
Little tongues prattlin', rattlin'

Talkin' about them hometown geeks **A**
D
Them hometown geeks

Wake up Wendy, smell the coffee

Help me into your custom kitchen

Gimme a cup of that old black magic

I wanna get me some of that old home cookin'

Can you feel it, it's chilly and freezin'

Wake up Wendy, moods a changin'

I got a reason, and you got a feelin'

Wake up Wendy, love's in season

Bridge: **A / / / D / A / E**

Same chords as before

Outro 2 Times: **A / / / D / A / E / / /**
