

# Elton John - Written In The Stars

Tom: C  
Intro: C F C F Gb Db Bb C

C F C  
I am here to tell you we can never meet again  
Am Am7 F G  
Simple really, isn't it, a word or two and then  
C F C  
E7  
A lifetime of not knowing where or how or why or when  
Am Am7 F  
You think of me, or speak of me, or wonder what befell  
Dm G  
The someone you once loved so long ago, so well

Never wonder what I'll feel as living shuffles by  
You don't have to ask me and I need not reply  
Every moment of my life from now until I die  
I will think or dream of you and fail to understand  
How a perfect love can be confounded out of hand  
Chorus:  
C  
Is it written in the stars?  
Am  
Are we paying for some crime?  
F  
Is that all that we are good for?  
G  
Just a stretch of mortal time?  
C

Is this God's experiment  
Am  
In which we have no say  
F E7  
In which we're given paradise  
G C F C F C  
But only for a day?

Nothing can be altered, oh, there is nothing to decide  
No escape, no change of heart, no any place to hide  
You are all I'll ever want but this I am denying?  
Sometimes in my darkest thoughts I wish I never learned  
What it is to be in love and have that love returned  
Chorus:  
Is it written in the stars?  
Are we paying for some crime?  
Is that all that we are good for?  
Just a stretch of mortal time?  
Is this God's experiment {God's experiment}  
In which we have no say {In which we have no say}  
In which we're given paradise {If only for a day}  
But only for a day?  
{Is it written in the stars?}  
{Are we paying for some crime?}  
{Is that all that we are good for?}  
{Just a stretch of mortal time?}  
Is this God's experiment {God's experiment}  
In which we have no say {In which we have no say}  
In which we're given paradise {Given paradise}  
But only for a day?
