

Elton John - You Can Make History (Young Again)

Tom: **D**
Intro: **D - Bm - Em - C - G**

D **Em**
I can feel the time closing in
A **Bm**
I can feel the years crawling through my skin
Gb **Bm**
And if I doubt myself I can count on the rain
Em **Em-sus** **A**
To cover the tears of this aging game

D **Em**
But I can count on you to play your part
A **Bm**
I don't miss a beat of your animal heart
Gb **Bm**
And when you push from behind I know I can
Em **Em-sus** **A**
Cover a mountain with the palm of my hand

D **D** **Em**
And oh babe, you can make history young again
A
You could rewrite, you could decide
D
The things that should or shouldn't have been
C **B** **Em**
You could look at me in the scheme of things

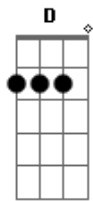

D **E** **G** **A** **D**
Oh babe, you could make history young again

D **Em**
I can watch the weeks sweeping by
A **Bm**
I can recollect the hearts hanging out to dry
Gb **Bm**
When the world shuts down I can touch my fears
Em **Em-sus** **A**
I can hear lost youth ringing in my ears

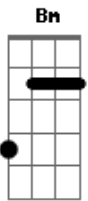

D **Em**
But I lost nothing when I gained you
A **Bm**
You just blew me away with yesterdays news
Gb **Bm**
When you run your fingers down my spine
Em **Em** **A**
It's like throwing a switch on the hands of time

G **A**
Ancient minds, ancient lives
D
Got a way of coming around
G **A**
If I knew then what I know now
D **Bm** **C** **A**
I'd make it back to you somehow
