E
I never thought that so much trouble was a restin' on my
reply,
A E
I could say it was the nights when I was lonely
A Dbm
And you were the only one who'd come.
A E
I could tell you that I like your sensitivity,
Gb B
When you know it's the way that you walk.

A E
Why do you have to say that there's always someone
A E
Who can do it better than I can?
A E
But don't you think that I know that walking on the water
B n.c. B
Won't make me a miracle man?

E Dbm
Baby's gotta have the things she wants.
E Dbm
You know she's gotta have the things she loves.
E Dbm
She's got a ten-inch bamboo cigarette holder
E B E
and her black patent leather gloves.
A E
And I'm doing everything just tryin' to please her,

A E
Oh, I thought by now that it was gonna be easy,

Gb B
But she still seems to want for more.

A E
Why do you have to say that there's always someone
A E
Who can do it better than I can?
A E
But don't you think that I know that walking on the water
B n.c. B
Won't make me a miracle man? Oh yeah

E Dbm E
Yeah they're givin' you a bad reputation just because you've
never been denied.
Dbm E Dbm E
You try to say you've done it all before. Baby, you know that
you
B E A E
just get tired. Yet everybody loves you so much, girl.
A Dbm A

E
I just don't know how you stand the strain. Oh, but I'm the
one who's here
Gb B
tonight, and I don't wanna do it all in vain.

A E
Why do you have to say that there's always someone
A E
Who can do it better than I can?
A E
But don't you think that I know that walking on the water
B B
Won't make me a miracle man? Oh yeah
