

# Elvis Presley - A Hundred Years From Now

Tom: C

Well a hundred years from now I won't be crying

A hundred years from now I won't be blue

My heart will have to forget that we ever met

But I won't care a hundred years from now

I'll never forget sweetheart the night you told me

That you could Live without my love somehow

That's all in the past I knew it wouldn't last

But I won't care a hundred years from now
