## **Elvis Presley - Always On My Mind**

```
Tell me
                                                                               G
               tom:
                                                             C
                                                             Tell me that your sweet
               G
       [Primeira Parte]
                                                                        Am7 D
                                                             Love hasn't died
                                                             G D Em G
 Maybe I didn't treat you
                                                             Give me
                               C D
Em
         G
                       C
                                                                    C
 Quite as good as I should have
                                                             Give me one more chance to keep
               D
                                                                    Am7 D
 Maybe I didn't love you
                                                             You satisfied
       G
                    A7
                                                                 G
Em
 Quite as often as I could have
                                                             Satisfied
[Pré-Refrão 1]
                                                             [Solo] G D Em A7
                                                             [Pré-Refrão 1]
С
 Little things
                                                              Little things
             G
I should have said and done
                                                                           G
                                                             I should have said and done
   G Am7 C D
 I just never took the time
                                                                                    Am7 C D
                                                               G
                                                              I just never took the time
[Refrão]
                                                             [Refrão]
        Em D
                      G
You were always on my mind
                                                                            D
                                                             D
                                                                      Fm
                                                                                    G
                                                             You were always on my mind
       Am
              G
                      C
(You were always on my mind)
                                                                Am G C
       D
               G C
                            D
                                                             (You were always on my mind)
You were always on my mind
                                                                              D
                                                             You were always on my mind
[Segunda Parte]
                                                             (GDEmD)
                                                             (C G Am7 D)
G
                D
 Maybe I didn't hold you
                           С
                                 C D
        G
Em
                                                                                   G
 All those lonely, lonely times
                                                             You were always on my mind
                     D
 And I guess I never told you
                                                             [Primeira Parte]
   G
                           Α7
 I'm so happy that you're mine
                                                             G
                                                                               D
                                                              Maybe I didn't treat you
[Pré-Refrão 2]
                                                             Em
                                                                   G
                                                                                               C D
                                                              Quite as good as I should have
                                                                          D
 If I made you feel second best
                                                              Maybe I didn't love you
                         Am7 C D
                                                                                               C D
             G
                                                             Em
                                                                         G
                                                               Quite as often as I could have
 Girl, I'm so sorry I was blind
[Refrão]
                                                             [Segunda Parte]
        Em D
                      G
                                                                              D
You were always on my mind
Am G C
(You were always on my mind)
                                                              Maybe I didn't hold you
                                                                     G
