

# Elvis Presley - Amazing Grace

Tom: G

G                    C                    G  
 Amazing Grace, how sweet the sound  
Em                    D7  
 That saved a wretch like me

G                    G7                    C                    G  
 I once was lost, but now I'm found  
Em                    D7                    G                    C                    G  
 Was blind, but now I see

G                    C                    G  
 Was Grace that taught my heart to fear

Em                    D7  
 And Grace my fears relieved

G                    G7                    C                    G  
 How precious did that Grace appear  
Em                    D7                    G                    C                    G  
 The hour I first believed

G                    C                    G  
 My chains are gone I've been set free

Em                    D7  
 My God, my Savior has ransomed me

G                    G7                    C                    G  
 And like a flood His mercy reigns

Em                    D7                    G                    C                    G  
 Unending love, Amazing grace

G                    C                    G  
 The Lord has promised good to me  
Em                    D7

His word my hope secures

G                    G7                    C                    G  
 He will my shield and portion be

Em                    D7                    G                    C                    G  
 As long as life endures

[...]

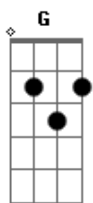

G                    C                    G  
 Amazing Grace, how sweet the sound  
Em                    D7

That saved a wretch like me

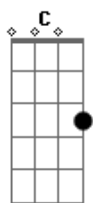

G                    G7                    C                    G  
 I once was lost, but now I'm found  
Em                    D7                    G                    C                    G

Was blind, but now I see
