

Elvis Presley - And I Love You So

Tom: **Ab**
Intro: **Ab Bbm Eb Ab**

And i Love you so, the people ask me how.
How i've lived till now, I tell them I don't know.
I guess they understand, how lonely life has been,
but life began again, the day you took my hand.

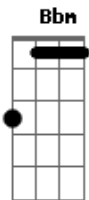

Refrão
And yes I know how lonely life can be.
Shadows follow me, the night won't sent me free,
but I don't let the evening get me down,

Eb Ab
now you're around me.

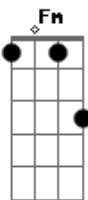

And you love me too. Your thoughts are just for me.
You set my spirit free, I'm happy that you do.
The look at life is brief, once the page is read.
All but love is dead, this is my belive.

Refrão
And yes I know how lonely life can be.
Shadows follow me, the night won't sent me free,
but I don't let the evening get me down,
now you're around me.
