

## **Elvis Presley - Any Day Now**

```
Intro: Am G Em
         Bm
Any day now I will hear you say
Goodbye my love
                C#dim7
You'll be on your way
  G
Then my wild beautiful bird
You will have flown
Any day now I'll be all alone
Oh, oh, oh
Any day now, when your restless eyes
Meet someone new
        C#dim7
To my sad surprise
Then the blue shadow will fall all over town
Any day now
            Am
Love will let me down
 G
Oh, oh, oh
I know I shouldn't want to keep you
              C
```

```
If you don't want to stay, yeah
Until you've gone forever
      Em Bm
I'll be holding on for dear life
Holding you this way
Begging you to stay
Any day now
When the clock strikes go
You'll call it off
Then my tears will flow
Then the blue shadow will fall all over town
 G
Any day now
Love will let me down
Oh, any day now
Oh, oh, oh
Oh, any day now
Don't fly away my beautiful bird
Don't fly away my beautiful bird
```
