

# Elvis Presley - Baby, Let's Play House

Tom: **E**

Oh, baby, **E** baby, baby, baby baby.

**E**  
Baby baby baby

**B** Come back, baby, I **A** wanna play house with you. **E**

**E**  
Well, you may go to college,  
You may go to school.  
You may have a pink cadillac,  
**E**  
But don't you be nobody's fool.

Now baby,  
**A**  
Come back, baby, come.  
Come back, baby, come.

**B**  
Come back, baby,

**E**  
I wanna play house with you.

**E**  
Now listen and I'll tell you baby  
What I'm talking about.  
Come on back to me, little girl,  
**E**  
So we can play some house.

Now baby,  
**A**  
Come back, baby, come.  
Come back, baby, come.

**B**  
Come back, baby,

**E**  
I wanna play house with you.  
Oh let's play house, baby.

(solo) **E A E B A E**

**E**  
Now this is one thing, baby  
That I want you to know.  
Come on back and let's play a little house,  
**E**  
And we can act like we did before.

Well, baby,  
**A**  
Come back, baby, come.  
Come back, baby, come.

**B**  
Come back, baby,

**E**  
I wanna play house with you.  
Oh let's play house, baby.  
Yeah.

(solo) **E A B E**

**E**  
Now listen to me, baby  
Try to understand.  
I'd rather see you dead, little girl,  
**E**  
Than to be with another man.

Now baby,  
**A**  
Come back, baby, come.  
Come back, baby, come.

**B**  
Come back, baby,

**E**  
I wanna play house with you.

**E**  
Oh, baby baby.

**E**  
Baby baby baby.  
**B** Come back, baby, I **A** wanna play house with you. **E**
