

Elvis Presley - Blessed Jesus (Hold my Hand)

Tom: E

Standard tuning.

Intro: E A E

... mm, stepping through the sinking sand

To the cross of Calvary

Mm, let it be my prayer, dear Lord, each day

To help me do the best I can

For there is no friend on whom I can depend

Blessed Jesus, hold my hand.

Blessed Jesus, hold my hand ...

Oh, yes, I need Thee every hour

Through the this pilgrims land

Protect me by thy saving power

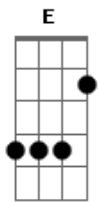

Please, hear my feeble plea

Oh, hoh, Lord, please, tell me

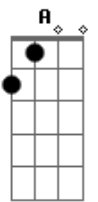

I kneel in prayer, I try to meet you there

Blessed Jesus, hold my hand, hold my hand.
