

# Elvis Presley - Blue Christmas ('68 Comeback Special Version)

Tom: **A**

Riff 1:

I'll have a Blue Christmas without you

I'll be so blue just thinking about you

Decorations of red on a green Christmastree

Won't be the same if you're not here with me

Riff 2:

Christmas without you

about you

green Christmastree

Riff 3:

Christmas without you

about you

green Christmastree

You'll be doin' all right, with your Christmas of white,

But I'll have a blue, blue blue blue Christmas

[nc] I'll have a Blue Christmas that's certain

And when those blue heartaches start hurting

You'll be doin' all right, with your Christmas of white,

But I'll have a blue, blue blue blue Christmas

You'll be doin' all right, with your Christmas of white,

But I'll have a blue, blue blue blue Christmas

Ooh I'll have a blue, blue blue blue Christmas
