

Elvis Presley - First In Line

Tom: C

C Am Dm G
 When they gave out eyes like diamonds
 That would shame the stars that shine
 My darlin' my darlin'
 You were the first in line
 When they gave out lips like honey
 That hold a new thrill every time
 My darlin' my darlin'
 You were the first in line

You were the first in line

F
 There may be others
 Fm
 that know you longer
 C G7 C C7
 Who pledge their hearts to you
 F
 But there's no other
 Fm
 could love you stronger
 G7
 Any stronger than I do
 Don't refuse me, say you'll choose me
 I am yours, oh please be mine
 My darlin' say I'm your darlin'
 The first, and the last in line

Acordes
