Tom: C

(intro) F C G C

C

G
There were five sleepy heads all tucked into their beds,
while I sang a lullaby one got dream dust in her eye.

C
There were four sleepy heads playing possum with me,

G
Mr. Sandman came by and then there were three.

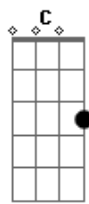

C

G
Moonbeams play peek-a-boo, three awake became two,
and my song was almost done when the land of Nod took one.

C
Kissed the last one goodnight, then I heard not a peep,

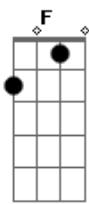

G
there were five sleepy heads, now they're all fast asleep.
