If you are playing the Guitar 1 part, the rest of the song is very easy to play..... Chords used:

Gtr 1 play something like the intro...

Chords: D A D Gb A D

Had a dream about you baby, had a dream about me and you

Had a dream and woke up crying

Well I can roll but I just can't rock

And the time's going by, tick-tock

For the heart, I just can't love no-one but you

Well I'm high and dry and lonely, I'm as lonely as can be

Chords: D A G

And I stare out of my window

Well I can play but I just can't win

And the weather's looking dim

For the heart, I just can't love no-one but you

For the heart

For the heart

For the heart, I just can't love no-one but you

For the heart

For the heart

For the heart, I just can't love no-one but you

Had a dream about you baby, had a dream about me and you

Had a dream and woke up crying

Well I can roll but I just can't rock

And the time's going by, tick-tock

For the heart, I just can't love no-one but you

For the heart

For the heart

For the heart, I just can't love no-one but you

For the heart

For the heart

For the heart, I just can't love no-one but you

Well, for the heart

For the heart

For the heart, I just can't love no-one but you

Yes, for the heart

For the heart

For the heart, I just can't love no-one but you
