

Elvis Presley - Girl Of Mine

Tom: A

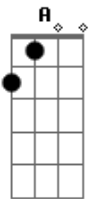

A
When your asleep beside me, I watch you lying there E
Your hand upon the pillow and moonlight in your hair A
I get the warmest feeling, so good I almost cry A7 D
Dm A E A
I kiss your sleeping lips and say I'll love you 'till I die
Oh girl of mine you make my day A
One sunny smile and all the clouds just roll away D D D A7
Dm A E
Eyes deep as the sea seem to say to me
Our love will always be E7 A A
E7 A A
So girl of mine turn out the light
And in my arms together we'll make sweet love tonight A7 D
Dm A E
Down life's golden road and you'll always know A

I love you ... girl of mine
A
Sometimes I know I hurt you when things ain't goin' right E
I walk away and leave you to face the lonely night A
I wouldn't blame you darlin' if you walked out on me A7 D
Dm A E A
But I return to find you there still waiting patiently
Oh girl of mine you make my day A
One sunny smile and all the clouds just roll away A7 D D D
Dm A E
Eyes deep as the sea seem to say to me
Our love will always be
E7 A A
So girl of mine turn out the light
And in my arms together we'll make sweet love tonight A7 D
Dm A E
Down life's golden road and you'll always know
I love you ... girl of mine A
