It's good to touch the green green grass of home

The old hous is still standing  
though the paint is cracked and dry  
down the lane I walk with my sweet Mary  
hair of gold and lips like cherries  
it's good to touch the green green grass of home

Then I awake and look arounde  
four gray walls that surround me  
and I realize I as only dreaming  
for there's a guard and there's a sad old padre  
again I touch the green green grass of home
