

Elvis Presley - Holly Leaves And Christmas Trees

Tom: C

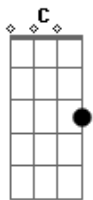

C Dm
Somewhere in, in the distant night
G C
I hear Christmas bells
Am Dm F
The gentle snow keeps falling down on people
C
Who are homeward bound

C Dm
That's the way it's always been
G C
The circle never really never ends
Am Dm
Christmas seems to come and go
F C
From the place that I don't know

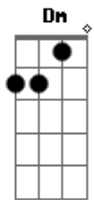

G C
Holly leaves and Christmas trees
G C
It's that time of year

Am Em
Lights aglow and mistletoe
F G
Don't mean a thing when you're not here
C Dm
As I walk, walk this lonely street
G C
The sound of snow beneath my feet
Am Dm
I'll think of how how it used to be
G C
Holly leaves and Christmas trees
G C
Use to mean so much to me
