

Elvis Presley - I Cant Stop Loving You

tom:
D

| D |

[Chorus]

I can't stop ^G loving you, I said I made up my ^D mind, yes I did

To live in memory, of such a lone, lonely time

I can't stop wanting you, I said it's useless to say, yes it is

So I'll just live my life, in dreams of yesterday

[Verse]

Those happy hours, all that we once knew

They're so long ago, (so long ago) they still make me blue

They say that time, it heals a broken heart

Ah' but time has stood ^D sti-i-i-ill, since we've been ^{A7} apa-a-a-^D art

[Chorus]

And I can't stop ^G loving you, I said I made up my ^D mind, yes I did

To live in memory, of such a lone, lonely time

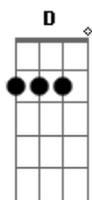

And I can't and I won't stop wanting you, I said it's useless to stay, yes it is

So I'll just live my life, in dreams of yester-er-erday ^[D]
(Stop)

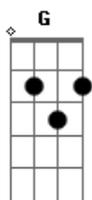

[Coda]

Oh yeah, oh yeah
(Yesterday, yesterday)
