

Elvis Presley - I Was Born About Ten Thousand Years Ago

Tom: **A**

(forma dos acordes no tom de **Ab**)
Capostrate na 1ª casa

I saw old pharaoh's daughter bring Moses from the water
I'll lick the guy that says it isn't so

I was born about ten thousand years ago
There ain't nothing in this world that I don't know
I saved King David's life and he offered me a wife
I said now you're talking business have a chair

Yeah, I was born about ten thousand years ago
Ain't nothing in this world that I don't know
Saw Peter, Paul and Moses playing ring around the roses
I'll lick the guy that says it isn't so

I was born about ten thousand years ago
Ain't nothing in this world that I don't know
I saw old pharaoh's daughter bring Moses from the water
I'll lick the guy that says it isn't so
I was there when old Noah built the ark
And I crawled in the window after dark
I saw Jonah eat the whale and dance with the lion's tail
And I crossed over Canaan on a log

I was born about ten thousand years ago
Ain't nothing in this world that I don't know
I saw old pharaoh's daughter bring Moses from the water
I'll lick the guy that says it isn't so

Yeah, I was born about ten thousand years ago
