

Elvis Presley - If I Can Dream

Tom: C

There must be lights burning brighter somewhere
Got to be birds flying higher in a sky more blue

If I can dream of a better land

Where all my brothers walk hand in hand

Tell me why, oh why, oh why, can't my dream come
true? (oh why)

There must be peace and understanding sometime,

Strong winds of promise that will blow away the doubt and
fear,

If I can dream of a warmer sun,

Where hope keeps shining everyone

Tell me why, oh why, oh why won't that sun
ap---pear?

We're lost in a cloud with too much rain,

We're trapped in a world that's troubled with pain,
But as long as a man has the strength to dream
He can redeem his soul and fly, (he can fly)

Deep in my heart there's a tremblin question,

Still I am sure that the answer, answer's going to
come somehow,

Out there in the dark there's a beckoning candle,
o yeah,

And while I can think, while I can talk,

While I can stand, while I can walk,

While I can dream

Oh please let my dream

Come true

Right now, let it come true now!

O yeah!
