

Elvis Presley - In Your Arms

Tom: **G**

Oh, oh, the (**G**) way that I feel tonight, you better (**C**)
wrap me up good and tight (**G**)
In your (**D7**) arms
In your (**G**) arms (**C7**) (**G**)

Just like a bee in a honey comb, I'm gonna make myself right
at home
In your (**D7**) arms

In your (**G**) arms (**C7**) (**G**)

Well, it (**C**) don't take much to keep me satisfied
Just a (**G**) little bit of lovin' that's bonnafide
In your (am) arms keep me tangled up all the time
Just like a (**D7**) kitten with a ball of twine
Yeah baby that's where I want to stay, for the rest of my
natural days
In your arms
in your arms
