

Elvis Presley - It Hurts Me

```
He's only playing a game
Tom: B
                                                              Ddim7
  Standard tuning.
                                                        But he's never loved you
Intro: Ebm Bb7 Dbm
                                                       B Eb Abm
                          Abm
     В
                      Ebm
                                        Ebm
                                                        He never will
   It hurts me to see him treat you the way he does
                                                         Db7
     Gb B B7
                                                        And darling, don't you know he will never change
                                                        B Ebm Abm Ebm B7
   It hurts me to see you sit and cry
     E
                                                        Oh, I know he never will set you free
                    Ddim7
   When I know I could be so true
                                                       E Gb
   B Eb
                                                        Because he's just that kind of guy
   If I had someone like you
                                                              Е
                                                                                   Ddim7
    Db7
                                                        But if you ever tell him you're through
   It hurts me to see those tears in your eyes
                                                           Eb
                                                                        Abm
                                                        I'll be waiting for you
                                                            Abm
   The whole town is talking, they're callin' you a fool
                                                        Waiting to hold you so tight
     E Gb
                                                             Abm
   For listening to his same old lies
                                                        Waiting to kiss you goodnight
         E
                     Ddim7
   And when I know I could be so true
                                                        Yes, darling, if I had someone like you
   B Eb
                                                      Ddim7
                  Abm
   If I had someone like you
