

Elvis Presley - It won't seem like Christmas (Without you)

Tom: A
Intro: E Gbm Abm

Oh, it won't seem like Christmas, oh, without you
Far too many miles are between
But if I get the one thing I'm waiting for
Well then I'll see you tonight in my dreams
Seems a long time since we've been together
It was just about to this time of the year
Looks like it's gonna be snowy weather
How I wish that you could be here
But it won't seem like Christmas, oh, without you
Far too many miles are between

But if I get the one thing that I'm wishing for
Then I'll see you tonight in my dreams
In the distance I hear sleigh bells ringing
The holly is so pretty this year
And the carol that somebody's singing
Reminds me of our Christmas last year
But it won't seem like Christmas, oh, without you
Far too many miles are between
But if I get the one thing that I'm wishing for
Then I'll see you tonight in my dreams
Yes, then I'll see you tonight in my dreams
