

Elvis Presley - Judy

Tom: D
Intro: D

They say you found somebody new
Whose love will always be true
I don't know what it is to be alone
That's why I dread to know you're gone
Oh Judy, don't let our sweet love
Wither and die like flowers in the fall
Oh Judy, don't you know it's you

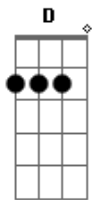

I love most of all

Oh, please come back I promise always to be true
Oh Judy, there'll never be anyone else dear but you

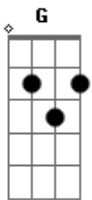

Solo: G D D G

Oh, please come back I promise always to be true
Oh Judy, there'll never be anyone else dear but you
Oh Judy, there'll never be anyone else dear but you
Oh Judy, there'll never be anyone else dear but you -->
