

Elvis Presley - Let Me Be There

Tom: E

Wherever you go^E
 Wherever you may wander in your life^{A E}
 Well surely you know, I always want to be there^B
 Holding your hand^{E E7}
 And standing by to catch you when you fall^{A E B E}
 Seeing you through, in everything you do^E
 I said let me be there in your morning^A
 Let me be there in your night^{E Gb B}
 Let me change whatever's wrong and make it right^{E E7 A}
 Let me take you to that wonderland that only two can share^{E B E}
 All I ask you, is let me be there^E
 (verse 2)
 Watching you grow^E
 And going through the changes in your life^{A E}
 That's how I know, I always wanna to be there^B
 Whenever you feel^{E E7}
 You need a friend to lean on^A
 Here I am^{E B E}

Whenever you call, you know I'll be there

I said let me be there in your morning^E
 Let me be there in your night^A
 Let me change whatever's wrong and make it right^{E Gb B}
 Let me take you to that wonderland that only two can share^{E E7 A}
 All I ask you, is let me be there^{E B E}

(chorus)

Let me be there in your morning^E
 Let me be there in your night^A
 Let me change whatever's wrong and make it right^{E Gb B}
 Let me take you to that wonderland that only two can share^{E E7 A}
 All I ask you, is let me be there^{E B E}
 All I ask you is let me be there^{E B E}

 I said let me be there in your morning^E
 Let me be there in your night^A
 Let me change whatever's wrong and make it right^{E Gb B}
 Let me take you to that wonderland that only two can share^{E E7 A}
 All I ask you, is let me be there^{E B E}
