Gm C7 Bb C7 F

And I know what it's like when you feel left out of the  
game little one  
D7 F  
But if you take this helping hand that I lend  
F Fdim Gm C7 F Eb

Then we can smile together, let's be friends  
The world that you see may seem to be a mystery to you  
The night may be dark but hope very hard and dreams can  
come true  
You live in silence but for once let's pretend  
We're talking here together, let's be friends  
You're not alone, I've always known that we'd get along  
And someone I know says life is good and He can't be wrong  
There's fun and laughter just waiting round the bend  
Let's find them now together, let's be friends  
F Fdim Gm C7 F Eb Bb  
Let's find them now together, let's be friends
