

Elvis Presley - My Baby

Tom: **E**

Yes my (**E**) baby left me, never said a word.
Was it (**E**) something I done, something that she heard?
My baby (**A7**) left me, my baby left me.
My baby (**B7**) even left me, never said a (**E**) word.

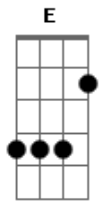

Now I (**E**) stand at my window, wring my hands and cry.
I hate to (**E**) lose that woman, hate to say goodbye.
You know she (**A7**) left me, yes, she left me.

My baby (**B7**) even left me, never said a (**E**) word.

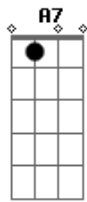

Baby, (**E**) one of these mornings, Lord, it won't be long,
You'll (**E**) look for me and, Baby, and daddy he'll be gone.
You know you (**A7**) left me, you know you left me.
My baby (**B7**) even left me, never said a (**E**) word.

Now, I (**E**) stand at my window, wring my hands and moan.
All I (**E**) know is that the one I love is gone.
My baby (**A7**) left me, you know she left me.
My baby (**B7**) even left me, never said a (**E**) word.
