

# Elvis Presley - My Boy

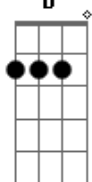

Tom: **D**

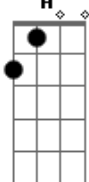

You're sleeping son, i know **A**  
 But really, this can't wait **Bm**  
 I wanted to explain **Gbm**  
 Before it gets too late **Bm**  
 For your mother and me **G**  
 Love has finally died **Gbm**  
 This is no happy home **Em**  
 But God knows how i tried **Gb7**  
 Because you're all i have, **Bm**  
 My boy **Em**  
 You are my life, my pride, **A7**  
 My boy **D**  
 And if i stay **Abm7**  
 I stay because of you, **Db7**  
 My boy **Gb7** **D**  
 I know it's hard to understand **A**  
 Why did we ever start **Bm**  
 We're more like strangers now **Gbm**  
 Each acting out a part **Bm**  
 I've laughed, i've cried **G**  
 I've lost every game **Gbm**  
 Taken all i can take **Em** **Gb7**

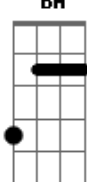

But i'll stay here just the same

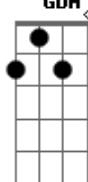

Because you're all i have, **Bm**  
 My boy **Em**  
 You are my life, my pride, **A7**  
 My boy **D**  
 And if i stay **Abm7**  
 I stay because of you, **Db7**  
 My boy **Gb7** **D**  
 Sleep on, you haven't heard **D**  
 A word **A**  
 Perhaps it's just as well **Bm**  
 Why spoil your little dreams **Gbm**  
 Why put you through a hell **Bm**  
 Life is no fairy tale **G**  
 And one day you will know **Gbm**  
 But now you're just a child **Em**  
 I'll stay here abd watch you grow **Gb7**  
 Because you're all i have, **Bm**  
 My boy **Em**  
 You are my life, my pride, **A7**  
 My boy **D**  
 And if i stay **Abm7**  
 I stay because of you, **Db7**  
 My boy **Gb7**  
 My boy ...
