

Elvis Presley - Rock-a-hula baby

Tom: C

The way she moves her hips to her fingertips
I feel I'm heaven bound

And when she starts to sway, I've gotta say
She really move the grass around

REFRÃO:

Rock-a-hula baby
Rock-a-hula baby

Got a hula lulu from Honolulu

That rock-a-hula baby of mine

Although I love to kiss my little hula miss
I never get the chance
I wanna hold her tight all through the night
But all she wants to do is dance

Repetir refrão

I bet that she could teach the palms along the beach
To sway when breezes blow
And birds up in the sky could learn to fly
