

Elvis Presley - Separate Ways

Tom: E

E E7M
I see a change is come in to our lives
E7 A
It's not the same as it used to be
Gbm B7
And it's not too late to realise our mistake
Gbm Gbm7 B A E
We're just not right for each o---ther

E E7M
Love has slipped away and left us only friends
E7 A
We almost seem like strangers
Gbm E
All that's left between us are the memories we shared
Gbm7 B A E
Of the times we thought we cared for each o---ther

E E7M
Now there's nothing left to do but go our separate ways
E7 A
And pick up all the pieces left behind us
Gbm E
And maybe someday, somewhere along the way
Gbm7 B7 A E Db7 B7 Gbm7 B7
Another love will find us

Some day when she's older, maybe she will understand
Why her mom and dad are not together
The tears that she will cry when I have to say goodbye
Will tear at my heart forever

There's nothing left to do but go our separate ways
And pick up all the pieces left behind us
And maybe someday, somewhere along the way
Another love will find us
