

Elvis Presley - Thanks To The Rolling Sea

Tom: G

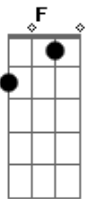

Thanks to the rolling rolling rolling
 Thanks to the rolling sea
 Thanks to the rolling rolling rolling
 Thanks to the rolling sea
 Fish on the table and fish on the fire
 Fried fish hanging on the tree
 Everything here that your heart desires
 Thanks to the rolling sea
 Thanks to the rolling sea
 Livin' is good and livin is fine
 We're happy as we can be
 We owe all this to the salty brine
 Thanks to the rolling sea

Thanks to the rolling sea
 We work all day but our hearts are gay
 And while we work we sing
 The mighty sea is good to us
 We've got everything
 Abalone steaks and tuna fish cakes
 Taste so heavenly
 We know who we owe it to
 Thanks to the rolling sea
 Thanks to the rolling, rolling, rolling
 Thanks to the rolling sea
 Thanks to the rolling, rolling, rolling
 Thanks to the rolling sea
 Thanks to the rolling, rolling, rolling
 Thanks to the rolling sea
 Thanks to the rolling, rolling, rolling, thanks to the rolling sea
