```
[NC]              C
Oh well, I´m tired and so weary
      F         C
But I must go alone
          C           D7           G        G7
Till the lord comes and calls, calls me away, oh yes
          C
Well the morning's so bright
      F          C
And the lamp is alight
      C           D7        G        G7
And the night, night is as black as the sea, oh yes

                  F                     C
There will be peace in the valley for me, some day
            C         D7        G
There will be peace in the valley for me, oh Lord I
 G7
pray
              C           C7
There'll be no sadness, no sorrow
     F                D7
```

```
No trouble, trouble I see
                C           D7    G7 C     F  C
There will be peace in the valley for me, for me
              C
Well the bear will be gentle
      F           C
And the wolves will be tame
          C           D7            G         G7
And the lion shall lay down by the lamb, oh yes
              C
And the beasts from the wild
            F       C
Shall be lit by a child
            C                        D7             G
G7
And I'll be changed, changed from this creature that I am, oh
yes

                  F                     C
There will be peace in the valley for me, some day
            C         D7        G
There will be peace in the valley for me, oh Lord I
 G7
pray
              C           C7
There'll be no sadness, no sorrow
     F                D7
No trouble, trouble I see
                C           D7    G7 C     F  C
There will be peace in the valley for me, for me
