

Elvis Presley - There's a Honk Tonk Angel

Tom: A

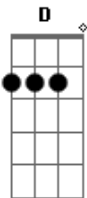

When was the last time you kissed me
and I don't mean a touch now and then
It's been a long time since you felt like my woman
And even longer since I felt like your man
So tell me if you think it's over
and I'll leave it up to you how it ends
And if there's someone who wants the love you can give him
Well there's a honky tonk angel who'll take me back in
D A E A

We've been livin' a lie for so long now
how much more do you think we can stand
There's an old friend out there and she's waiting
Lord she's happy just holding my hand
So tell me if you think it's over
and I'll leave it up to you how it ends
And if he still wants the love you can give him
Well there's a honky tonk angel who'll take me back in
D A E A
Yeah there's a honky tonk angel who'll take me back in
