

# Elvis Presley - Thrill Of Your Love

Tom: **G**

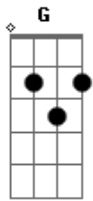

Verse:

I have **G** wished for the wealth  
**C** Of a great **G** millionaire  
 I have reached for a **A7** bright **D7** star above  
**G** But the thrill of it all  
**C** To me seems so **G** small  
**D7** When compared to the **G** thrill of your **C G** love

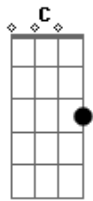

Chorus:

I'd rather **C** give everything  
**G** That I own in this world  
**A7** Than to be all alone and **D7** unloved  
**G** For no earthly price and no **C** sacrifice **G**  
**D7** Is too much to give  
**G C G** For your love  
 (Repeat chorus)
