

# Elvis Presley - What Now My Love

Tom: **C**

Intro: **C**

What now my love

Now that you left me

How can I live through another day

Watching my dreams turn into ashes  
And all my hopes into bits of clay

Once I could see, once I could feel

Now I'm a numb  
I've become unreal

I walk the night, oh, without a goal  
Stripped of my heart, my soul

What now my love  
Now that it's o-ver

I feel the world closing in on me

Here comes the stars  
Tumbling around me

And there's the sky where the sea should be

What now my love  
Now that you're gone  
I'd be a fool to go on and on

No one would care, no one would cry  
If I should live or die

What now my love  
Now there is nothing  
Only my last goodbye  
Only my last goodbye
