

# Elvis Presley - You Asked Me To

C

tom:

F

Long ago and far away

C

In my old common labor shoes

G

I turned the world all which away

C

Just because you asked me to

F

Like into no other feel

C

Simple love is simple true

G

There's no end to what I'd do

C

Just because you asked me to

F

Let the world call me a fool

C

Let it; things are right with me and you

G

That's all that matters and I'll do

C

Anything you ask me to

F

Knowin' how much I love you

C

After all I've been through

G

I'd turn and walk away from you

C

Just because you asked me to

F

Let the world call me a fool

C

Let it; things are right with me and you

G

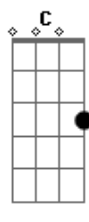

That's all that matters and I'll do

C

Anything you ask me to
