Tom: A

E
Tonight
Abm
I can see it in your eyes
Dbm
I'm gonna give it to you right
A
I'm gonna give it to you right
E
I'm obsessed, that's fine
Abm
You could even say I'm out of line
Dbm
But it's heaven when I am inside
A
It's heaven when I am inside
E
Forever is too much
Abm
But baby when we touch
Dbm A
Our sensations go overload
E
Can't shake the thought of your body
Abm
Riding on top of me
Dbm A
Like a bomb about to explode
E
Give you all that I have tonight
Abm
I can see us going for the ride
Dbm
Your love's like a bird so high
A
Baby, you're the best, got me so obsessed, yeah
E
Dim the lights turning off your phone
Abm
And I'll be down like a domino
Dbm
Turn me on like the radio
A
Baby, you're the best, got me so obsessed, yeah
E
Yeah, yeah, hey
Abm
Yeah, yeah, hey
Dbm
Yeah, yeah, hey
A
You're the best, got me so obsessed, yeah
E
She said she will spend the night
Abm

Got me feeling like a redbull talkin' flight
Dbm
We could soar to new heights
A
What we are doing is so wrong, but its feel so right
E
And that body is so delicious
Abm
The way she knock on my wood, superstitious
Dbm
She the type of she don't make me want to miss this
A
The way she put it down on me like a mistress
E
Can't stop so long, never quit this
Abm
Work it out like we're working on our fitness
Dbm
Yeah, best thing she will have, baby
A
Now bang it up like Miley crazy
E
Forever is too much
Abm
But baby when we touch
Dbm A

E
