

Emeli Sandé - Lonely

Tom: E
Intro: E A x2
Hey, hey

[Verse]

E Well sometimes I get lonely A
E And some days you don't know me A
B And to try explain why I'll be gone by morning Dbm A
B Is like expecting spring to understand the autumn Dbm A
E So come on, let's stop wasting all our energy B A
E Let's stop wasting summer on our knees B A
B And don't lie to me, I know you felt the changes Dbm A
B And nothing's new, it's been this blue for ages Dbm A
E So baby, I'm outta here A
E Baby, I'm outta here A
E Sometimes I get lonely A

E And I wish you'd just hold me A
B And to try explain why some days hurt more than others Dbm A
B Is like asking rain to sing above the thunder Dbm A
E So come on, let's stop wasting all our energy B A
E Let's stop wasting summer on our knees B A
B And don't lie to me, I know you felt the changes Dbm A
B And nothing's new, it's been this blue for ages Dbm A
E So baby, I'm outta here A
E Baby, I'm outta here A
B And don't lie to me, I know you felt the changes Dbm A
B And nothing's new, it's been this blue for ages Dbm A
E Sometimes I get lonely A
E Some days you don't know me A
