

Emil Bulls - Dancing On The Moon

Tom: F

F Am
We're all cast in the same tragedy

Dm Bb
Most of us never achieved

Bb
A lifetime award

F Am
The clocks are ticking the seconds away

Dm Bb
So were getting closer each day to our last curtain call

F
If I had one wish fulfilled

Am
Tonight I wanna sing with you

Dm
No matter if we're out of tune

Bb F
Tonight we'll end up dancing dancing dancing on the moon

F Am
All the thoughts are running in circles again

Dm
What will we get in the end

Bb
We're waiting and dreaming

F Am
All hopes are melting like ice in the sun

Dm
To run dry like a whale in the sand

Bb
The sand of a lonesome desert

F
If I had one wish fulfilled

Am
Tonight I wanna sing with you

Dm

No matter if we're out of tune

Bb F
Tonight we'll end up dancing dancing dancing on the moon

F Am
Tonight I wanna sing with you

Dm
No matter if we're out of tune

Bb F
Tonight we'll end up dancing dancing dancing on the moon

F
Tonight we will break free

Am
Tomorrow we'll be kings and queens

Dm Bb
Forever they will sing about us

F Am
Oh-oh-oooh oh-oh-oooh oh-oooooooooh-oh

F
Oh tonight

Am
Tonight I wanna sing with you

Dm
No matter if we're out of tune

Bb F
Tonight we'll end up dancing dancing dancing on the moon

Am
Tonight I wanna sing with you

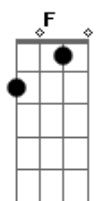

Dm
No matter if we're out of tune

Bb F
Tonight we'll end up dancing dancing dancing on the moon

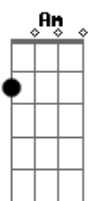

Am Dm Bb
oh-oooooooooh-oh

F Am
Oh-oh-oooh oh-oh-oooh oh-oooooooooh-oh
