

Emiliano Pordeus - Tchau, Acabou!

Tom: G

G
Pode chorar, Se espernear

Bm
Mas eu não volto pra você
Pode gritar

C
Você não vai me convencer

Am
Te amar novamente

D7
Juro qu'eu não consigo

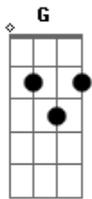

(**C C Bm E E7 Am D7**) (**Dm7 G7**)
É foi tanta maldade
Fez pior que a solidão

Feriu o meu peito
Machucou meu coração
E ainda por cima
Vem falar comigo

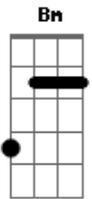

(**C C Bm E E7 Am D7**)
Fingindo, que nada aconteceu
E cheia de vontade
Você desperdiçou a felicidade
Fique na saudade
Tá aí o seu castigo

G Bm C D7 Eb Em Bm C D7)
Tchau, Acabou!
Não quero mais os seus carinhos
Tchau, Acabou!
Siga o seu caminho
