

Emílio Santiago - Caridade

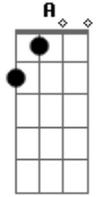

tom:

A

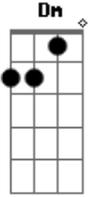

Não sei negar esmola a quem implora caridade
 Me compadeço sempre de quem tem necessidade
 Embora algum dia eu receba ingratidão
 Não deixarei de socorrer a quem pedir o pão

Eu nunca soube evitar de praticar o bem
 Porque eu posso precisar também
 Sei que a maior herança que eu tenho na vida
 É meu coração, amigo dos aflitos
 Sei que não perco nada em pensar assim
 Porque amanhã não sei o que será de mim
