Emily King - Distance

```
                          tom:
                    Em
Intro: E   C7M   Cm

C7M      Bm7
Hey love time to get up
        Dm7                     G7M
I think you've been sleeping too long
C7M    Bm7                       Am7
My day started when you were still yawning

C7M        Bm7
One room just ain't enough
           Dm7                   Gm   G7M
When it's two folks trying to get along but

  Am7    D7
Alone

G7M
Oh love is always better
                                C7M
When we take time to get back to who we are
          Cm7
When we are apart
              G7M
Distance makes the heart grow

Even when I'm lonely I'm happy knowing that
                    C7M
Your love is never far
              Cm7
When we are apart distance makes the

                            G7M
It makes the leaves on the trees fall
                            C7M
It makes the hours in the day long

Makes me wanna clear my head
          Cm7
Find a little cafe and write the words to a song

G7M
And I know that I'm still free
                        C7M
Be anywhere that I wanna be

Maybe get dressed up
      Cm
Wear something real pretty that you ain't
Never seen
```

```
G7M
 Oh love is always better
                                C7M
When we take time to get back to who we are
          Cm7
When we are apart
              G7M
Distance makes the heart grow
Even when I'm lonely I'm happy knowing that
                    C7M
Your love is never far
              Cm7
When we are apart distance makes the

( G7M   C7M   Cm7 )
( G7M   C7M   Cm7 )

              G7M
When you love it makes the heart
                          Gm
When you trust it makes the heart
                    C7M
When you call it makes the heart
                    Cm7
When we're alone when we're apart
                G7M
In the middle of a fight
Walk away to make it right
                C7M
Where we go we're never far
              Cm7
In the light or in the dark
Fm7    G7M
On a plane up in the stars

In a movie or at the bar
                C7M
Home alone or out to tea
              Cm7
Look to your heart and think of me
                G7M
I wanna love you don't wanna try

To change the pace of your life
                        C7M
We get together we make it good
                    Cm7
We get together oh oh oh

   C7M        Bm7
Hey love time to get up
              G7M                     Am   G7M
I think you've been sleeping too long
C7M    Bm7                       Am7
My day started when you were still yawning
```
