Ye-e-ah, oh-oh

Dbm A E
I see this scene where you walk down the hallway

Dbm A E
I try to stop you, but you don't wait

Dbm A E
It's exactly what I was afraid of, you don't love me anymore

Dbm A E
And I know the part where you say you're unfaithful

E B
Sittin' at the kitchen table

Dbm A
In that moment in-between I love and fuckin' hate you

E
I'm not sure, not sure

Dbm A E
But that isn't stopping me

Dbm A B
So come sweep me off my feet

Dbm A E B
'Cause I wanna give, give you all that I got

Dbm A E B
And I wanna believe we'll defy all the odds

Dbm A
And I hope you don't hurt me

E B
But oh, if you do

E Dbm A E
It would be worth getting hurt by you oh-ho

(Dbm A E)

Dbm A
Everybody's got their own opinion

E
And I hate, but admit it

Dbm A
It's naive to think that you and I are somehow different

E
From anyone else

A
And I give myself, but only giving fractions

B

This is not what I imagined

Dbm
Gotta put myself out there to see what happens

B
Before I give up

Dbm A E
But that isn't stopping me

Dbm A B
So come sweep me off my feet

Dbm A E B
'Cause I wanna give, give you all that I got

Dbm A E B
And I wanna believe we'll defy all the odds

Dbm A
And I hope you don't hurt me

E B
But oh, if you do

E Dbm A E
It would be worth getting hurt by you

Ab
Oh, I could've wonder

A E
Will our love survive?

Ab A B
Oh, but what a waste of time

Whoa-oh

Dbm A E B
'Cause I wanna give, give you all that I got

Dbm A E B
And I wanna believe we'll defy all the odds

Dbm A
And I hope you don't hurt me

E B
But oh, if you do

E Dbm A E
It would be worth getting hurt by you

Dbm A E B
Getting hurt by, by you-ou-ou

Dbm A E B
Getting hurt by, by you-ou-ou

Dbm A E B
By you-ou-ou

E Dbm A E
Oh, it would be worth getting hurt by you
