

Eminem - Love The Way You Lie

Tom: **G**
Intro: **Em C G7 D**

Refrão:

Em
Just gonna stand there and watch me burn
G7
That's alright because I like the way it hurts
Em
Just gonna stand there and hear me cry
G7
That's alright because
D
I love the way you lie
Em
I love the way you lie

Em
I can't tell you what it really is
C
I can only tell you what it feels like
G7
And right now it's a steel knife in my windpipe
D
I can't breathe but I still fight while I can fight
Em
As long as the wrong feels right it's like I'm in flight

I offer love drunk from my hate
C
It's like I'm huffing paint and I love it the more I suffer
G7
I suffocate
D
Can't break the fall I'm about to drown she resuscitates me

She fucking hates me and I love it
Em
Wait

Where you going
I'm leaving you
C
No you ain't
Come back
We're running right back
G7
Here we go again it's so insane
D
Cause when it's going good it's going great
I'm Superman with the wind in his back
Em
She's Lois Lane
But when it's bad it's awful
C
I feel so ashamed
I snap
Who's that dude?
G7
I don't even know his name
I laid hands on him
D
I'll never stoop so low again
I guess I don't know my own strength
(refrão) (parte da Rihanna q ta la em cima) (batida normal)

Em
You ever love somebody so much
You can barely breathe

When you're with them
C
You meet
C
And neither one of you
D
Even know what hit them
G7
Got that warm fuzzy feeling
C
Yeah them chills
Used to get them
D
Now you're getting fucking sick
Of looking at them
Em
You swore you've never hit them
Never do nothing to hurt them
C
Now you're in each other's face
Spewing venom
And these words
G7
When you spit them
You push
Pull each other's hair
Scratch, claw, pit them
D
Throw them down
Pin them
So lost in the moments
Em
When you're in them
It's the craze that the corporate
Controls you both
C
So they say it's best
To go your separate ways
Guess that they don't know you
G7
Cause today
That was yesterday
Yesterday is over
D
It's a different day
Sound like broken records
Playing over
Em
But you promised her
Next time you'll show restraint
C
You don't get another chance
Life is no Nintendo game
G7
But you lied again
Now you get to watch her leave
Out the window
C

Guess that's why they call it windowpane
(refrão)

Now I know we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad

As mine is

You're the same as me

But when it comes to love

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado meets a volcano

All I know is

I love you too much

To walk away now

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

Told you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist

At the dry wall

Next time

There will be no next time

I apologize

Even though I know it's lies

I'm tired of the games

I just want her back

I know I'm a liar

If she ever tries to fucking leave again

I'mma tie her to the bed

And set this house on fire

Just gonna
