

Eminem - Love The Way You Lie

Tom: G

Just gonna stand there and watch me burn^{Em}
 But that's alright because I like the way it hurts^G
 Just gonna stand there and hear me cry^{Em}
 But that's alright because I love the way you lie^G
 I love the way you lie^{Em}

I can't tell you what it really is^{Em}
 I can only tell you what it feels like^C
 And right now there's a steel knife^C
 In my windpipe^G
 I can't breathe^G
 But I still fight^D
 While I can fight^D
 As long as the wrong feels right^D
 It's like I'm in flight^{Em}
 High of a love^{Em}
 Drunk from the hate^C

It's like I'm huffing paint^C
 And I love it the more that I suffer^C
 I suffocate^G
 And right before im about to drown^D
 She resuscitates me^D
 She fucking hates me^{Em}
 And I love it^{Em}
 Wait Where you going^C
 I'm leaving you^C
 No you ain't Come back^C
 We're running right back^C
 Here we go again^G
 It's so insane^G
 Cause when it's going good^G
 It's going great^D
 I'm Superman^D
 With the wind in his bag^D
 She's Lois Lane^{Em}
 But when it's bad^{Em}
 It's awful I feel so ashamed^C
 I snap Who's that dude^C
 I don't even know his name^G
 I laid hands on her^G
 I'll never stoop so low again^D
 I guess I don't know my own strength^D

Just gonna stand there and watch me burn^{Em}
 But that's alright because I like the way it hurts^G
 Just gonna stand there and hear me cry^{Em}
 But that's alright because I love the way you lie^G
 I love the way you lie^{Em}

You ever love somebody so much^{Em}
 You can barely breathe^{Em}

When you're with them^C
 You meet And neither one of you^C
 Even know what hit 'em^G
 Got that warm fuzzy feeling^G
 Yeah them chills^G
 Used to get 'em^D
 Now you're getting fucking sick^D
 Of looking at 'em^{Em}
 You swore you've never hit 'em^{Em}
 Never do nothing to hurt 'em^C
 Now you're in each other's face^C
 Spewing venom And these words^C
 When you spit 'em^G
 You push Pull each other's hair^G
 Scratch, claw, bit 'em^D
 Throw 'em down^D
 Pin 'em So lost in the moments^D
 When you're in 'em^{Em}
 It's the rage that took over^{Em}
 It controls you both^C
 So they say it's best^C
 To go your separate ways^C
 Guess that they don't^G
 know ya Cause today^G
 That was yesterday^G
 Yesterday is over^D
 It's a different day^D
 Sound like broken records^D
 Playin' over^{Em}
 But you promised her^{Em}
 Next time you'll show restraint^C
 You don't get another chance^C
 Life is no Nintendo game^G
 But you lied again^G
 Now you get to watch her leave^G
 Out the window^D
 Guess that's why they call it window pane^D

Just gonna stand there and watch me burn^{Em}
 But that's alright because I like the way it hurts^G
 Just gonna stand there and hear me cry^{Em}
 But that's alright because I love the way you lie^G
 I love the way you lie^{Em}

Now I know we said things^{Em}
 Did things^{Em}
 That we didn't mean^C
 And we fall back^C
 Into the same patterns^C
 Same routine^G
 But your temper's just as bad^G
 As mine is^G
 You're the same as me^D
 But when it comes to love^D
 You're just as blinded^{Em}

Baby please come back
 It wasn't you
 Baby it was me
 C
 Maybe our relationship
 Isn't as crazy as it seems
 G
 Maybe that's what happens
 When a tornado meets a volcano
 D
 All I know is
 I love you too much
 To walk away though
 Em
 Come inside
 Pick up your bags off the sidewalk
 C
 Don't you hear sincerity
 In my voice when I talk
 G
 Told you this is my fault
 Look me in the eyeball
 D
 Next time I'm pissed
 I'll aim my fist
 At the dry wall

Em
 Next time
 There will be no next time
 C
 I apologize
 Even though I know it's lies
 G
 I'm tired of the games
 I just want her back
 I know I'm a liar
 D
 If she ever tries to fucking leave again
 I'mma tie her to the bed
 And set the house on fire
 Em C
 Just gonna stand there and watch me burn
 G D
 But that's alright because I like the way it hurts
 Em C
 Just gonna stand there and hear me cry
 G D
 But that's alright because I love the way you lie
 Em
 I love the way you lie
